Critically acclaimed Hip-Hop legend, **M1** of **Dead Prez** joins forces with Italian producer **Bonnot** of **Assalti Frontali** to release their new album, ‘**Between Me And The World**’, on **April 8th** having recently premiered on **VIBE**. Singles from this album, ‘**Killing It**’ ft. **Jahdan Blakkamoore** and ‘**Number One With A Bullet**’ ft. **Prodigy (Mobb Deep)** and **Divine RGB** have already achieved premieres on **XXL** and **The Source**, as well as attaining air plays on **Apple’s ‘Beats 1’** and **Eminem’s ‘Shade 45’**. This isn’t the first offering from this explosive collaboration which we’ve already seen appear on **BBC Radio 1Xtra’s ‘Fire In The Booth’** hosted by “Music Personality of the Year” **Charlie Sloth** and making special guest appearances with **Macklemore & Ryan Lewis** at **Madison Square Garden**.

M1-Dead Prez and Bonnot proudly stand outside the ordinary with their own unique brand of Hip-Hop. The first single, ‘**Killing It**’, features **Jahdan Blakkamoore** firing major hooks with urgency alongside **M1 & Bonnot’s** powerhouse production, delivering large dynamics and potent performances, touching bases with contemporary Hip-Hop beats and strong trap influences which critics have coined “TrapHall”. The second single from this album, ‘**Number One With A Bullet**’, features Hip-Hop legends **Prodigy of Mobb Deep** and **Divine RGB** who has previously featured on **Dead Prez** tracks, the video of which recently premiered on **VIBE**.

In past years, **M1** has remained active in the Hip-Hop scene releasing a number of solo works and having other legends such as **Nas** and **Erykah Badu** continuing to work with him. In Europe, **Bonnot** is a highly sought after producer having won “**The Best Italian Producer**” when he was just 22, and working with artists such as **General Levy**, **Dub FX**, **Assalti Frontali** and top jazz trumpet player **Paolo Fresu**. It is clear this volatile duo doesn’t have much left standing between them and the world, we can’t wait to see what lies ahead for **M1-Dead Prez and Bonnot**.
